Heirborn Flat Coated Retrievers

Thank you for your inquiry regarding our litter/dogs at Heirborn. Please understand that we do not hold puppies based solely on phone conversations or email. Please understand that each litter represents years of our time and effort in our breeding program. Dog breeding is a pursuit of the best genetics in a given dog and it is our hope that we leave a legacy of fine working retrievers with excellent temperament, health, working ability, looks and ability to produce those traits. Because of this our breeding stock comes first and foremost.

We would like to know as much about you and your family as possible so that we can choose the best puppy for you. Please visit heirbornkennels.com/adoption/ to complete our adoption form. We do the selections and have never had a dissatisfied owner. However, if the puppy being in any way unsuitable, please return it to us.

We are dedicated to breeding only the best Flat Coated Retrievers. As with any relationship, you will only get out of it what you put into it. Training classes, time and effort are the best insurance that your dog will be a pleasant companion. Flat Coated Retrievers need to be part of your family. They are a joy to live with if properly trained and socialized.

Once you purchase a dog from Heirborn Kennel we have a relationship that lasts the life of your dog and beyond. We are here to help you. Please call us with any questions at any time.

We do not ship puppies. You can come to our home, fly in to MSP airport, rent a car, book a shuttle (stops 2 miles from our home), we can meet you at the airport, or meet you part way for a small fee.

Best regards,

Paul and Christian Jonas and Alice Richter
